SPORT

KONI Sport struts and shocks are the industry leader in externally adjustable damping, establishing the ultimate user control. By easily adjusting between a soft comfortable ride setting to a more firm aggressive ride, KONI Sport transforms the "daily driver" into the weekend track machine without hassle. With its very broad range of adjustability, KONI Sport is a great choice to upgrade a stock, original equipment (OE) suspension or when matched with lowering springs and other performance upgrades for better handling and a more aggressive look and road feel.

STR.T

KONI's entry level performance line STR.T (pronounced "Street") shocks and struts bring improved performance and handling as well as KONI quality to the driving enthusiast. The KONI STR.T product line is designed for excellent original equipment (OE) replacement or to complement other suspension modifications, including lowering springs.

Features and Benefits

- Improved handling characteristics
